## A Celebration of Community and Giving

This holiday season, three community organizations — the Aldergrove Business Association, the Aldergrove Community Association, and the Aldergrove Fair and Festival Society — are once again coming together for Christmas in Aldergrove, a cherished annual celebration featuring three free community events organized entirely by the dedicated volunteers of the Aldergrove Christmas Committee.

Last year, our Christmas events welcomed an estimated 6,000 guests from Aldergrove and surrounding areas. It brings us immense joy to offer these events **completely free of charge** — what we lovingly call “YES Days.”

A day where families can say yes to a hot dog, yes to a cup of hot chocolate, yes to snacks and laughter — without worrying about whether they can afford it. It’s a day of belonging, kindness, and togetherness for people of all backgrounds and ages.

Thanks to the generosity of community partners like Rotary and the Elks, we served over 600 free hot dogs, 500 cups of hot chocolate, and countless smiles. Local businesses stepped up with financial contributions and in-kind sponsorships, helping to create a truly magical experience that continues to leave a lasting impression both within and *beyond our community*.

*This year, we invite you to be part of this heartwarming tradition. Whether through financial sponsorship, in-kind donations, or volunteering your time, your support will help bring the magic of Christmas to life once again — ensuring every family in Aldergrove can experience the joy, warmth, and wonder of the season together.*

✨ *Join us in making Christmas in Aldergrove a season of giving, belonging, and community spirit.*
